

TSC CUSTOM SUPPLIES SOLUTIONS

From design to delivery, TSC is your partner for applications requiring a custom supply solution. With our extensive manufacturing capabilities and our access to a wide range of materials and adhesives, our product experts can help provide the proper solution to your unique label, tag or receipt requirement.

- Flexographic printing up to 12 colors
- Digital printing for short run and multi-lot requirements
- Full prepress support – design to proof to plate
- Wide range of papers, films and adhesives
- Laminates, varnishes and specialty coatings

We're here to help you choose a product construction best suited to the demands of your application and we'll work with you through the entire process, providing material samples and design proofs as required. With manufacturing facilities located throughout the U.S., your custom supplies can be delivered fast and cost effectively.

Why choose Genuine TSC Supplies?

Guaranteed Performance

Genuine TSC Supplies meet the performance standards as required by TSC printers.

Consistent Quality

This ensures optimum performance through your TSC printer...every printout, every time.

Comprehensive Product Portfolio

A wide selection of TSC Genuine Supplies are available for all Industrial, Desktop and Mobile printer models. Most items are in stock and available for immediate shipment.

Availability

With multiple product distribution points within North America, your supplies will be where you need them, when you need them.

Looking for additional ways to obtain the lowest possible price for your custom supplies?

Check out TSC's **FlexShip Program**. With this program you can take advantage of volume pricing...and only take delivery of product as you need it. Contact your TSC sales representative for program details.

By using Genuine TSC supplies through your TSC printer, you're making "The Smarter Choice."
